Patient Centered Medical Home	Heather Clark-SHIP	Heather shared a PowerPoint presentation to increase understanding of PCMH concept and practice.
<p>SHIP Updates</p> <ul style="list-style-type: none"> Chair Report Multi-Payer Workgroup Detailed Presentation Medicaid Payment Tiered Model 	<p>Cynthia York</p> <ul style="list-style-type: none"> - Yvonne - Matt Wimmer 	<p>Cynthia reported the PCMH Contractor RFP is in process (two responses received and scored, not yet awarded, pleased with responses). A second RFP (HIT/Data Analytics) is being developed, with questions weighted by a consultant to avoid any conflicts of interest. New admin support to be hired soon. The Project/Contracts Manager for HIT will be hired after the RFP has been written. Suggested group invited Steve Carrell to next meeting for update on IHDE.</p> <p>Yvonne reviewed information from Multi-payer Workgroup – information that she shared (will be emailed to group) is draft and not approved for public distribution.</p> <p>Matt Wimmer covered Medicaid part of multi-payer workgroup update. He will set up a conference call for more feedback specific to page 3 of report and criteria for integration/ incentives. MH providers are experiencing similar requirements (as PH, SUDS) for increased documentation (admin costs) but decreased rate or non-covered services. Tami Jones will send Matt the summary document she mentioned. Heidi supported keeping all modules in the mix; Ross would like competency-based criteria.</p>

Assessment Tool Review	Gina Westcott	Preliminary plans are to use the IPAT (Integrated Practice Assessment Tool) for back bone of survey and utilize responses to cross walk more in-depth information to six levels of collaboration descriptions. Gina is meeting with Meg Hall later this week for feedback and insights. The 55 clinics state wide will be surveyed; NCQA average score is level 3 for clinics.
Select Quick Gains to pursue — Barrier 13 – clarify	Winslow - Group	Moved to August meeting
Other status reports — Training program — List of regulatory barriers — Progress on Outcome Measures	- Dr. Baron - Greg Dickerson - Russ Duke	Moved to August meeting
NASHP TA Grant	Gina Westcott	Gina shared a draft plan; will email to group for comments due back to her on 7/14/15, close of business. Plan is to utilize the TA and speakers available through the grant funding for assistance. A speaker for conference being organized by Bill Hazel for providers is a potential request; Gina will follow up. A separate working group will be set up to help with exploration of how to integrate PH into MH/BH.
Next Steps		Next meeting is August 11 in Room 131 at Westgate offices (Region 4, 1720 Westgate Drive, between Milwaukee and Cole on Fairview).
